The Premises:

Widely reported parlour, one of my favourites in the whole country. Clean, professional, discreet.

The Lady:

Late 20s, long brunette hair, great figure with lovely fake tits, very beautiful eyes. An absolute stunner. Top class totty.

The Story:

My first time in ages at GFE. I was already booked in to see the legend that is Cindy later, but wanted to check Candice out as her pics on the site are very tempting. I know it's a cliché, but she really is much, much better in the flesh. Not least because you can't see her pretty face in the pics.

I was even more intrigued when, sat waiting in reception, I could hear this girl getting fucked hard in the room above and making plenty of noise. 5 mins later she comes down and I don't need a second thought!

Immediately, we had a bit of rapport and I knew she was my type - fun, slutty, stunning and noisy! After a snog, I laid her down, sucked her porno tits and licked her pussy, which was rewarded with much appreciation! Then we fucked vigorously in cowgirl and mish, while talking filth to each other.

No rush afterwards. We had a good chat about various stuff, she is lovely. Chilled out, down to earth and good company. I intend to see her many more times, next time for longer.
