The Premises:

Quiet Monday night in Pimlico, showed up 10 minutes early, sure Rhianna says, no problem come on in and get cleaned up. Great value that. Would be fantastic if it happened more often. Otherwise the same room as HOD1 and AMK, same furniture same pictures and mirror. Really wish the beds were a little higher and especially had padded frames. My shins seem to always be bruised up for some reason. May have to take up senior league football as cover.

The Lady:

Elise - Sensual Hungarian blonde appeared in a stunning Baywatch 1990 red one-piece. For a man of my particular demographic, a truly great thing.

Apple - Tiny ethereal Singaporean/Filipina(?), thin with a lovely seemingly natural chest and a very pretty face. Just a perfect contrast with a more earthy, womanly Elise.

The Story:

What to say? A wonderfully blurred 45 minutes of getting my cock sucked while my face was alternatively dfk snogged and ridden by both, cowgirl from both and an A+ performance from Elise. Fucking both from behind while they ate pussy. Lots of laughter and easy conversation (including a 5 minute talk on politics with Elise while my cock was in Apple's throat and she was feeling a bit unappreciated (sorry Apple)). Two wonderful young women who sent me on my way with shaky legs and an idiotic grin on my face.
