The Premises:

Private terraced house in Westminster Road, Morecambe. I will not mention the number on here, punters will be told by receptionist. Plenty of free car parking is available on Westminster Road. Entrance is by front door of house or more discretely via back lane and entrance into yard via back gate. The house number is barely visible on the gate and needs to be improved. The room is on the ground floor at the rear of the house. Rachel herself admitted me to the house as the receptionist was busy. The room is functional but basic and is comfortable. Plenty of tissues and wet wipes available for use after service. The parlour had only been in business for about a week when I visited and there were some minor admin problems that I am sure will be corrected very quickly.

The Lady:

Rachel is about 5' 5" tall, tanned all over, slim with lovely full tits. She is very pretty and very friendly and relaxed.

The Story:

After undressing I lay face down on the bed and Rachel gave me a thorough massage, including my arse, balls and cock. She is very firm but not too firm with the massage. She then removed her basque to reveal her trim body and lovely tits, nipples and shaved pussy. We then had a good kissing session whilst I played with her tits and nipples and pussy and Rachel played with my cock and balls. She then lay on her back whilst I sucked her nipples and she played with my cock. I then went down to lick and suck her pussy which she obviously enjoyed. I then told her I was ready for a fuck. Rachel rolled a condom onto my cock and gave me a blow job until I told her I was ready to enter her. She then positioned herself for fucking doggy style and asked if that was suitable which I agreed to. She guided me into her pussy by hand and responded whilst I was inside her. I played with her nipples as I was fucking her. Rachel ensured the condom stayed in place as I withdrew from her. We chatted as we cleaned up and dressed and Rachel is a very pleasant girl and I intend to see her again.
