### The Premises:

Rose has an apartment in the pedestrian precinct behind Bentalls in Kingston, which she guided me to. The apartment is homely and comfortable with a shower facility.

### The Lady:

We all know it's a cliché, but, meeting her exceeded my expectations. I love dark skinned and black girls, but many black girls I have found have been on the larger build side. Rose for me had the perfect body, slender, without being skinny, beautifully proportioned, her bum is a work of art, breasts in proportion, soft and lovely to fondle and her pussy had been shaved - lovely.

### The Story:

Rose is discrete and didn't want me to go into graphic detail. We I did all the usual things massage, RO OWO after she cleaned me with a baby wipe, and penetration in various positions. The lovely thing about Rose is her attitude, she does her best to ensure that you have a great time and she certainly did with me. Memorable moments were undressing her and enjoying seeing her delightful body and her OWO was superb. Rose I hope I haven't been too detailed, thank you for a great time.
