The Story:

I had previously seen Nicole for a short appointment, and decided that I wanted to see her again. She was very pleased to see me which was really lovely.

She soon stripped off, revealing her lovely body. I advanced towards her and kissed her, and gently put my arms around her.

I asked to lick her pussy: she sat on the bed, facing me, and I knelt down on the floor. We had a very good session of this together, and she kept saying that she was enjoying it. This made me feel very sexy and I'm sure she must have been feeling sexy too.

Then I got onto the bed, and she gave me a lovely session of oral without while I gently stroked and played with her body.

She put on the condom, and got on top of me, facing me, for some sex and she almost made me cum at this point.

Finally finishing with slow hand play at my request while I played with her boobs and looked at her sexy body. This made me cum in a lovely way - so good!

This was a wonderful appointment as she kept indicating that she enjoyed being with me and was feeling relaxed.

There was never any rushing. I actually arrived about 5 minutes early, so I think that we went slightly over time.

Nicole, I hope that you enjoyed it as much as I did. Do I want to see you again? Of course I do! I think that you feel the same - I hope so.

I forgot to tell you my reviewer name, but I think you know who I am. I told you that I would a write a review. Here it is!

Thank you Nicole.

Looking forward to seeing you again soon. xxx
