The Premises:

The GFE parlour is located in a semi-industrial/semi-commercial neighbourhood, and looks a little unprepossessing from the outside. Parking was no problem when I visited. Inside, the premises were absolutely fine, although a lick of paint to the extremities would not go amiss. However, I was not there to critique the decor!

The Lady:

Young, bright, enthusiastic, friendly and just plain cute! She is just below medium height and slim, with a body toned to near perfection. Smooth unblemished skin, small, exquisite breasts and a backside that should be preserved for posterity. She is as close to the ideal small, petite woman as I can imagine.

The Story:

No great in depth detail, but I left a very happy old man. It had been four years since I had managed any kind of penetrative sex, and had given up hope. Hannah took that as a challenge, and - I am delighted to say - achieved success. What a star!
