The Premises:

Most things have been said about the venue. It is easy to find with off-street safe parking. The building itself is an attractive coach-house style. Inside is clean, and professionally run like a spa. Escorted to a professional looking room by a lady who I assume was the manager and offered a shower. The room was extremely well presented with a rolled up towel and a price list presented in a spa-like fashion on the massage table. Mirrors on at least two of the walls.

The Lady:

Absolutely stunning in every way. Extremely fit and trim, a wonderful slim waist with large breasts. I would say mixed race with dark exotic skin, which was as soft as silk. Lovely personality, easy to speak to and made me feel relaxed and very horny!

The Story:

On entering the room, I decided to take a shower and Sasha came into the room when I was finishing off. As soon as I saw her wearing a tight, short masseuse outfit with hold up stockings the blood rushed to my lower regions and to my slight embarrassment I exited the shower with a huge erection. Sasha commented on this and smiled, talking to me whilst I dried off. I couldn't keep my eyes off her, which didn't do anything to calm down my throbbing member.

I was asked to lie face down on the massage table and I noticed in the mirrors that she took off her outfit and unleashed two perfect breasts. On with the massage which was professional and sensual, occasionally sliding a hand or two underneath to caress my straining cock. After a while, she took off her tiny panties, covered me with more oil and climbed on to the bed and began an amazing body to body massage, I was in heaven.

The time came when she asked me to roll over and I could not hide my excitement and got the chance to look at this perfect lady. Again a professional sensual massage continued before a front body to body massage, occasionally wrapping her large breasts around my cock. Finally, Sasha oiled up her hands and began to directly massage my cock, whilst giving me plenty of eye contact. The feeling was amazing and after a while I exploded over her hands.

Sasha has a wonderful personality, was easy to talk to and I thoroughly enjoyed the half-hour (which was not long enough). I will definitely be back for more.
