The Premises:

One of the 'nicer' locations they use in MK and somewhat more discreet than the main location

The Lady:

Apple drop-dead gorgeous, with shapely natural breasts - a perfect handful! She has lovely soft, clean skin and always seems energetic.

The Story:

I've seen a number of Annabella's ladies and repeated with a few, but I've seen Apple FIVE times because she's simply that wonderful. She offered me a massage at the beginning of the session after I complained about a sore back and shoulders. We then proceeded through our normal routine...all I'm going to say about that is that I always get an hour with Apple, and it takes me _forever_ to finish. I have a lot of stamina and she has never once complained about being sore or exhausted. She asked, politely and almost apologetically, if she could get a drink of water in the middle of our time - of course you can, dear!

Apple is a rare mix of beauty with a friendly demeanor geared toward providing the utmost satisfaction. If you don't enjoy your time with Apple, chances are the problem is with you.
