### The Premises:

Discrete premises just off Mansfield Road. Entry by buzzer, and then straight up stairs. Very clean and spacious premises. Shower available but not needed, the massage room was large and lovely and warm. Very atmospheric with music in the background.

### The Lady:

Demi was a vision to behold, lovely smooth dark skin, boobs and bum to die for, she encouraged play with nipples which was most welcome. Jazz was a fair skinned lady, with a more full figure than Demi, but wow does she know how to use it.

### The Story:

I arrived on time and was greeted by Demi, wearing a short figure hugging black dress. She showed me into the room, and we were joined by Jazz where we all undressed. I was then given the massage of my life, wow do these girls know how to give a massage. Just the right amount of pressure when massaging, with lots of teasing along the way. I will not say anymore about my experience, as I think it is up to you to find out just how sexy and sensual these girls are. I will certainly be returning when funds allow.
