### The Premises:

Own luxury apartment and easy to find although at a very discreet location. Felt very safe and free parking in street outside. Felt very comfortable on entry.

### The Lady:

Christine is lovely lady and made me feel very welcome as if i was a boyfriend so a real GFE/ mistress experience. Christine has a great selection stockings and sexy outfits to make any mans heart melt and more. A very sexy soft skin and it is clear she looks after her self in everyway. I particularly loved her black louboutin shoes, what a sexy look.

### The Story:

A really lovely experience all round with one of the best oral sessions I have ever experienced. Christine certainly knows how to use her tongue! The memory will stay with me for a very long time and will be repeated soon. A welcome drink on arrival is a lovely touch to put one at ease and I think Christine enjoyed the date judging by the wonderful sounds she was making. Her entire body was shaking at one point! What followed remains between us but suffice to believe the pleasure was mutual by her reaction on climax. A very sensual message followed and was the perfect way to end our date.

I do not wish expand much more as would love to keep her to myself and hope Christine is aware of this! I really enjoyed my time with Christine and it has certainly been one of my best encounters because the sex was so good and flowed naturally. Guys look after here and treat here with respect because she is a diamond.
