The Premises:

Nice house in West London location not too far from tubes and mainline stations. Near to Hyde Park.

The Lady:

5 girls at the party, but wanted to highlight Gina, tattooed blonde with a mouth that could suck your knob off and Ashley, mixed race English Beauty with nice tits and a great attitude.

The Story:

2 hours of partying, but wanted to give a special mention to Gina, who extracted a orgasm I never thought possible with her skillful hands and mouth. Her determination was incredible and her skills delightful.

Also Ashley who was gave me a couple of great fucks to orgasm during the party. She's beautiful, diligent and a great party girl. She whispered dirty talk to me as Gina was plying her trade on my manhood. I think her suggestions and encouragement were as equal a cause to my explosion as Gina's mouth and hands. Loved the way she wanted to fuck with me looking at her. She was great in doggy too, really pushing back onto me and going for it.

Great girls at a great establishment.
