### The Premises:

Discrete doorway entrance in busy shopping street - plenty of free parking close by. Room was clean and well presented with a decent shower

### The Lady:

Stuningly beautiful - thats the bit that you don't see in the photos. A very pretty english girl, long dark hair, mid twenties seems fair for he age, great tight and toned body. Wow!

### The Story:

Kasey came in the room with black underwear, including a thong that showed off her fit arse, we got the paperwork out the way and had a massage to start. After some kissing, off came the bra to reveal a natural figure. Took one look at that toned body and off came the thong, went down on her for some time which she appeared to enjoy! Some oral for me then on with the hood, started with Kasey on top then couldn't resist some doggy style to enjoy that body. Finished with me on top looking into those lovely eyes.

As you may tell I was quite taken by Kasey - recommended - definitely!
