The Premises:

The Lady:

A beautiful curvy and very sexual/sexy woman in her late 20's with long brunette hair and a mouth that any man would die for. She has a soft well spoken presence that hides the character that could only be dreamt of.

The Story:

I met with Christine and her friend Charlotte for a very extended session having met with her once before. This was intended to be a fulfilment of a long standing fantasy of mine and Christine was very keen to facilitate this. Her planning was perfect and she was very keen to ensure that I enjoyed myself to the full.

All aspects of the encounter were mind blowing and it is not for me to give the dirty detail. However the oral (both giving and receiving) were fantastic. Her bum is just the most perfect rounded soft perfection.

Christine and Charlotte were very good at putting me at my ease and making sure I was comfortable with what was going on. This was the dream cum true!
