### The Premises:

Very close to tube station on Euston Road in Central London. A flat in a block with secure entry. Very discrete.

### The Lady:

Both girls are as described and shown on the web site.

### The Story:

Saw that Nadia only did 2-girl interactive with Ruby, and that they were working together on that day. I suspected that they would work well together and I was spot on. From the moment the girls entered the room to the moment they left they were in constant contact with each other and me. This was a belated birthday treat and consisted of Ruby's usual full on DFK and OWO, combined with Nadia's light kissing and softer OWO. And then there were the episodes of RO on each girl, both by me and each of them. Nadia also brought Ruby to her first climax with a vibrator. I had OWO from both girls at the same time as well, plus lots of ball sucking from Ruby. I finished with CIM in Ruby's mouth, while Nadia rubbed her tight young body all over me. The final cum score was Nadia 3, Ruby 2 and 1 to me. A great session with two fantastic ladies who were focussed on my pleasure and their own. I will definitely be back for more when schedules allow it. Thanks to both of you for a great time, and I hope you enjoyed your party.
