Usual place in Victoria.

The Lady:

Very attractive, reportedly Eastern European but can easily pass for Spanish or Italian in appearance, early 20s, tall, slim, long dark brown hair, fully shaved, a couple of small tattoos but not in the usual places, very good command of English. Photos on the HoD website provide a good indication of what to expect though she was taller than I was expecting.

The Story:

I didn't know what to expect after reading all her reviews but it turned out to be a very pleasant experience. She came across as personable and provided the services which for me are a pre-requisite for a good punt - FK and owo. I went with the flow and when she suggested 69, I was keen to oblige. This culminated with cim which I wasn't expecting though I can see that it is a service now listed on her profile.

She's definitely is a lady I'd like to see again.
