The Story:

I have used Annabella's many a time over recent years, but this was my first visit for a long while. Most of my experiences have been excellent.

I am afraid on this occasion, I was disappointed. Serena was polite and friendly before and after the event, but was not so keen when we got down to business. OWO without any real enthusiasm, and then she wanted to move straight onto sex. I had to slow things down by asking to kiss (her profile offers GFE), but again it was me kissing her without any enthusiasm in return. I then had to ask for reverse oral, again she obliged but only for a short while. We moved onto sex in various positions, but as soon as she felt me coming she pulled my penis out while i was still coming into the condom.

The whole thing was just a cold mechanical event.

I understand that a young 18 year old may not dream of sex with a 50 year old guy, but equally I expect better than this. Out of principle I make every effort for the lady, I am always clean and well presented, I am always polite and respect the lady's personal rules, and though I say it myself I keep myself fit and do not look my age.

So I am sorry Serena, beautiful as you are I will not return, as I left feeling disrespected I am afraid.
