The Premises:

An established place on the Kettering Road, with an entrance off the pavement so no awkward hanging around. Parking on the street nearby.

The rooms were well furnished and clean. The room I was in had a shower too, which I used afterwards.

The Lady:

A gorgeous young girl next door. Very cute in her sexy outfit, and even better out of it. She is young but experienced, felt and tasted great from head to toe. :)

The Story:

Although I liked the look of Kitty from the website, I knew from Twitter than Star and Zara were both working so chose to see the girls. I was tempted by all 6 of them (Kitty, Star, Sara, Paris and two I can't remember!), but trusted my initial instinct and picked Kitty.

She came in and we settled paperwork, straight into DFK. We moved to the bed and undress slowly, my hands exploring her body and enjoying every second. Her tits are beautiful and I enjoyed playing with them and sucking on her nipples. Her mouth was like silk and her body firm with slight give all over. Once I was stripped, I enjoyed some OWO where I had to stop her or it would be over before we'd even got started. Once she was undressed, other than her stockings, I enjoyed a long session of RO. I think she liked it too, her skin was starting to sweat. She turned over for a quick rimming before it was on with the rubber and some doggy before it was over far too quickly.

I had a shower afterwards and left smiling and satisfied. Thank you Kitty, for a great GFE and a fun time. I'll be back. xxx
