### The Story:

I had punted with Elizabeth on a duo date with louise a couple of months earlier and wanted Elizabeth on her own, i wasn't disappointed great kissing throughout so much so my jaw was aching towards the end great oral skills, the first one she had been drinking a smoothie so she a cold mouth which provided an intense orgasm for my first pop  
second was started with great kissing and stroking then another great blowjob, we chated for a while then she stroked and caressed cock for a third pop  
highly recommended girl
