The Premises:

Nice apartment only a couple of minutes away from Gloucester Road Station. It's off on a side road which makes it nice and discreet.

The apartment itself is fairly small but it is clean and tidy with a bathroom that has a decent enough shower to use.

The Lady:

Michelle is a very attractive woman who I would guess is in her early 20's and is around 5'7".

She has dark Italian looks with nice brown eyes.

As well as a pretty face, she has a killer body that is all natural.

Michelle's pretty much like a real life Lara Croft except with a gentle Italian accent instead.

The Story:

I've seen Michelle 4 times now and every occasion was great. Michelle is eager to please and she makes you feel welcome and relaxed. This along with her soft voice and the dimmed lights have made each visit seem dreamlike. I know that sounds rather cheesy but I look back to my visits and think "did that really happen?".

Michelle is a lovely person and it is a pleasure spending time with her.
