The Premises:

Set in a pretty bog standard housing/flat row in MK city centre. The inside is fine - you are led to a room that is adequate and functional, if not entirely glamorous. A few sets of stairs to climb, but it was a nice and airy top floor room in a three storey house.

The Lady:

Lucy was pretty much what you expect to see from the photos. Curvy, but slim through the torso, big fake tits and a lovely, squidgy bum. Bottle blonde that screams sex when you are first introduced to her and when she gets her body rubbing against yours, you realise that she really ignites the fantasies about that classic blonde pornstar look.

The Story:

I had a bit of a wild night before I met Lucy, out with friends and up until 10am the next morning. I decided not to go to sleep yet and wanted to cosy up with a girl, so booked to see Lucy at 11am. The fact that I was guaranteed first client of the day is something that I always place value in.

Walked into the place, shown to the room by a woman who explained that Lucy would be along shortly. When Lucy arrived, she asked for the money upfront and then came in for some cuddles and DFK. She was wearing just underwear and I was soon hard inside my jeans. Lucy unbuttoned and slid them off, asking me what I really like whilst she stroked my penis. I told her that I love big tits and proceeded to suck and fuck hers for a little while. Put on a condom, had sex in missionary and then had sex from behind. This was great, as I reached around to play with her big tits I watched in the mirror to turn myself on more. Lucy asked me where I wanted to come, so I pulled out, whipped off the condom and came all over her boobs. Great experience, which I left breathless. I even had to have a wank about the experience when I got home!
