The Story:

I have been out of the game recently but have now got back into it so was looking forward to a nice asian girl, in fact I've managed two visits in two days so am feeling well satisfied.
This was a pretty ordinary punt, been here many times before and the girls are usually very friendly, they change weekly so a bit of variety is available.
Usual MO: strip, lay her down, lick her pussy, rim her then enter and bang her deep and hard til I unload.
I enjoyed the taste of her and licking her clit elicited a couple of low moans, no fingers allowed though.

Nice and tight and a compliant girl who took my whole length without complaint.

They could find a better flat and I think they'd get more business.
