### The Premises:

Nice place. No cigarette smoke.

### The Lady:

Her profile description saying "I'm size 8 with a nicely toned lean body" is totally false.

She has nice breasts.

### The Story:

I can't be entirely sure if it's the woman in the picture. She had long black hair and a foreign accent, and the lights weren't that bright.

Her backpage profile says "I'm size 8 with a nicely toned lean body" She was totally not a size 8, not even close.

I Spoke to her on the phone.. asked her if she smoked, she said no, and I asked if the flat smelt of smoke, she said no.

I was pleased that the flat did not smell of smoke. So that was very good.

When I saw her, I saw she was far far from a size 8. She was definitely over size 10. Maybe size 12.

For her profile to say " I'm size 8 with a nicely toned lean body" is a complete lie.

I was allowed to use the toilet beforehand. (they didn't take it out of the time, though it wasn't much time).

I went ahead despite her not being the lean size 8, when she was over a 10, probably a size 12. We had sex, I came within 10min, she said that's it, unless you want just a massage , I said ok. I tried to feel her tits at times but she indicated that I should lie down.. I wasn't that motivated to push that one further, she has also just said that was it. I didn't ask to massage her, I don't know if she'd have let me given that her english was bad and she considered the sex finished. I took the massage

option, then after she had massaged me she said "ok?" I said "yes"(I couldn't be bothered to say she should continue for another 10 minutes). Total session was 20min, though I paid for 30min. Only the first 10 min was sex / sexual, the rest was massage as that was all I was allowed after cumming once.
