Exactly as pics describe, early 20's very pretty brunette with a lovely smile, freckles, petite with a really nice bum, curves in all the right places.

The Story:

Booked Charlotte about two weeks ago to see her today, all communications were good, directions to the apartment and quick replies to e mails and texts.

Was offered a shower and drink before handing over fee, i heard that Charlotte had a fucking machine type device so we tried that on her 1st, had her in mish whilst i controlled the speed and pace of the machine and its large dildo, started slowly with it then increased to top speed which Charlotte really enjoyed.

Next on to daty which i really enjoy doing and the view was great as i buried my face into her shaven pussy, added some rimming to it which sent Charlotte over the edge, her body shaking, her neck and cheeks flushed.

Moved on to trying to make Charlotte squirt with my fingers, she has a very tight pussy and although she got really wet like Jessica a couple of weeks ago i wasn't quite able to make her squirt.

Charlotte then used her mouth to place a condom on me for some really good covered oral, we moved to missionary with her legs pinned backup to her ears and over my shoulders which felt really good really tight but after 10 minutes or so of this i could feel my knees starting to give so we tried cowgirl which once again was really good as Charlotte leaned into me and we held onto each other as i pounded from below.

Charlotte then continued with covered oral and some seriously good ball sucking which sent me over the edge and i came quite a large amount for me on her face.

Charlotte is not a clock watcher in fact we were having so much fun we went over by 15 minutes which i apologised for but Charlotte was fine with it.

All in all a really good booking with a lovely lady.
