The Premises:

Just a little off the Edgware road with easy parking nearby. The place seem fit for purpose. Small bedroom with a comfortable bed, and a good working shower in the bathroom.

The Lady:

Mia is much like her pictures if a little less glamerous. She is pretty with a good body, not skinny, and has nicely enhanced breasts.

The Story:

Mia is a wonderfully enthusiastic WG. She does everything with a smile and passion. She's a good kisser, lots of DFK, and very energetic. In a short while she had me flat on my back, appropriately attired, and rode me in cowgirl, a pretty awesome sight! She's only been here a few days, so her English is limited at the moment, but I had no problem communicating the important stuff. I'm not sure what she did before, but she does not seem have a routine, which is always interesting ... I don't remember her doing oral on me, but a lot was happening and it certainly wasn't missed, and equally I'm sure she would have been happy to oblige had I wanted it. I only had a fairly vanilla session, but her description suggests she is open to a more PSE session for those so inclined, but I can't comment on that, except to say she had a bottle of lube of some sort and asked if I wanted it ... looking back I think I misunderstood what she was offering. I had a lot of fun with Mia, at one point we were both flat on our backs laughing like children ... not going to tell you why. Right now Mia is a good WG, with a little bit of time she could be great. I will return and I'm happy to recommend her to anyone not seeking long conversations.
