The Premises:

Jessy's place it is a discreet basement flat and well located in earls court inside is cosy and clean I noticed that she always have fresh flowers on entrance.

The Lady:

I have met with Jessy a couple of times now, the latest on Friday. She is a lovely friendly girl who made me feel welcome right from the start and she likes to chat which makes for a nice GFE. Her black hair is stunning and she is very passionate

The Story:

As I said above Jessy is a such great company- effervescent, chatty and funny. She makes the encounter so natural it's like you have known each other for years. I need to feel at ease now- most guys will have experienced the more cold clinical type appointment and how refreshing it was to meet up again with the bubbly sexy Jessy , who welcomes you like a long lost boyfriend.

Lots of kissing and caressing combined with good conversation- a true GFE.

Jessy is sincere and kind, and is dedicated to your pleasure without being submissive at all. It all flows so smoothly.

I love her smile but more than anything is her ability to be raunchy and intimate at the same time –for me it's a great turn on especially as she gives plenty of feedback during sex- such an antidote to the mechanical doll women who although may be very beautiful are actually rubbish in bed in the end.

Really enjoyed myself today- of late I've been a bit down and was beginning to find the whole escort experience somewhat repetitive and predictable however Linda has lifted my mood so much and has restored my faith in the power and allure of a naturally sexy girl who can give you so much pleasure and warmth in that magical moment of genuine lovemaking.

Best experience in a long time the sex was mind-blowing for me – I wont get into the nitty gritty suffice it to say she brought out the very best in me and drained me to the point of pure sublime ecstasy, I am totally satiated now and will sleep like a baby tonight .Just simply wonderful.
