The Premises:

I saw Miranda at the Ibis Hotel in Euston.

The Lady:

A very friendly and attractive Polish girl with a dress size 8 and C cup breasts.

The Story:

This wasn't my planned punt, but I enjoyed it all the same. The session started with uncovered oral and continued with covered sex in the reverse cowgirl position. There was a recent thread about the do's and don'ts of punting. I'll add another. If you are feeling a bit tired withhold the punt until you are ok. The problem here was that I struggled to maintain my erection so with Miranda's permission I removed the condom and masturbated to completion and came over her very ample breasts.
