### The Premises:

Usual Annabellas flats but this one is probably their best location. Discreet location, nice clean flat etc

### The Lady:

Pretty much like her profile pictures but only much much better, somehow. Pretty face, lovely body, nice round bum, very sexy accent. Michelle was very friendly, making conversation, always smiling and came across as if she loved doing what she was doing. She made it easy to develop some chemistry with her and if you're looking for a gfe, then you're onto a winner.

### The Story:

I've been to Annabellas/HOD/MKE on a few occasions now (think I'm up to about 12) and usually, mostly, had some good punts. There have been a few absolute crackers though (Roxy, Gemma & Ruby) but in the most, they were ok and probably only 1 where I left thinking 'what a waste of money'. BUT...Michelle has got to go down as THE BEST experience I've had.

Straight from the off, Michelle was attentive and friendly. She gave me a very good gfe (I'm not going to go into detail about what we did, use your imagination) and it was never mechanical at any point.

The only other testament I can give is that I NEVER see the same girl again. I would have liked to have seen Roxy again but she moved on not long after (not my fault, I promise) and I often give Gemma a second look (another very nice girl). I will definitely be seeing Michelle again, maybe even sooner than my allotted 'once a month treat'!
