The Lady:

This felt like having sex with a fuck buddy it was just so natural. I have met with prettier girls than Renata at the House but have sometimes been short changed in terms of action. Not so with Renata who aims to please and who, in turn, enjoys her little pleasures.

The Story:

We began slowly because I didn't immediately find Renata attractive. However, as soon as she took her top off and revealed nipples that were like FMJ bullets I was hooked. I sucked on her nipples and then she asked me to lie on the bed where she sucked my cock , inflating it to a woody. This was followed by plenty of eye contact and French kissing. Renata is a great kisser with lovely soft lips. She looks great when she smiles. Also her eyes are big and dreamy.

Of course, Renata deep throated and sucked my cock and licked my shaft and caressed my under carriage, and I slapped her big, fat arse much to her delight. She is very proud of her cock sucking skills, and rightly so, and revels in her reputation as the Oral Queen.

Renata knelt in front of the mirror cos she wanted to look at herself sucking my dick. She told me that she loves watching guys wanking themselves. I offered to lie on the bed and wank myself to completion. Renata agreed and assisted me by tonguing the tip of my cock. When I finally came she caught a smidge in her mouth but allowed the rest to dribble over my body (I have since cranked one or two out thinking about Renata's tongue on my cock).

Renata loves a mouthful of cock and is heartily recommended if you like getting sucked off.
