### The Premises:

Is it just me or does the Polish maid have a twinkle in her eye?

### The Lady:

The twitter feed described Kamy as a #titwank specialist. This was more than my little pecker could handle so I was on the phone as soon as the lines were opened for bookings.

Kamy has a tremendous body with a fake tan and smooth skin. Her breasts are big relative to the slender structure of her skeleton. No tattoos that I can remember which is a plus. Slight smell of cigarettes, but not enough to mark her down.

### The Story:

Kamy's English is not the best but she understands the language of cock. She is very amenable and willing to do as she is asked. I started out by groping her tits and playing with them. She knows that her customers love her for her tits. There was lots of eye contact and plenty of kissing on the lips, no FK though. We had a good bit of 69 and she sucked my cock and rubbed it between her tits as I ate her out. Kamy seems to enjoy having her pussy eaten and made some noises to that effect. Next she put the condom on me and held me down and fucked my cock before telling me it was my turn. I gave her a good few strokes from behind while watching her heavy tits in the mirror as they swayed back and forth like a drunkard on his way home. I wanted to finish off with some breast relief, which kamy consented to. I was just getting into my stride when there was a knock at the door which meant I had to hurry up if I was to give Kamy a pearl necklace.

After I showered Kamy was waiting to say goodbye to me dressed in grey training gear, the top exacerbating her charms. Next time I visit will ask her to wear this or something else that shows off her tits.
