### The Premises:

Standard kind of flat you'd expect a EE girl to be working from, i.e. adequate

### The Lady:

Not as gorgeous as the photos suggest but she's clearly the girl in the pics and still pretty enough that I thought I had made the right choice without any hesitation. Her greeting was friendly and an outgoing personality was evident from the start.

### The Story:

Agata doesn't have a full menu but I knew that before I arrived, CIM and Anal were off limits but they are no deal breakers for me, what is important is the girls look, figure, personality and the way she delivers what she does.

She appeared a little hesitant at first but quickly got into her stride after joining her from a quick shower. She did look good in what she was wearing, which was very little. She's a nice kisser and liked to explore my body, BBBJ was nice, she liked to do it nice and slow and was licking my shaft a good deal. She's very receptive to reverse oral and her pussy was tasty. I was feeling a little jaded, more so than I thought so paced myself a little and only went for one round. We did a number of positions, she liked CG and enjoyed me feeling her tits as she raised and lowered herself slowly at first before increasing the pace. I finished fucking her in doggy, she was moaning (the pleasure type) as I was thrusting into her and reached down to rub her clit as I did so.

A nice girl and worth a visit.
