The Story:

I believe they used to be on the Arsenal site in the past. Went to the new location a few weeks ago and was disappointed to find that the girl was Romanian. Sweet, but not Oriental... Was slightly worried re this time but no need to worry. Sisi was very sweet. In fact I could hardly tear my eyes off her! Every bit I looked at was just perfection. She 'apologised' that she had put on weight after eating badly in the UK and pointed to the flat, toned stomach! Started with OW and then I asked her to stand up. I kissed her face, shoulders and neck. Didn't seem to offer FK so I didn't push the matter. Sucked her nipples - large, dark and cute. Kissed that wonderful stomach... Getting hard just thinking about it! Went to kiss her hands but she stopped me and used a wet wipe to clean them first! Sucked her fingers. Pushed her gently back on to the bed and kissed her legs. Soft, silky smooth skin. Kissed her feet and sucked her toes - she found that ticklish. Then went down on her. Very hairy but clean and fresh. She seemed to enjoy it. My tongue wandered down to her bum a few times. Gently stroked and massaged her lovely legs for a while.

Then on with a condom and cow girl, mish and doggy. After a few minutes of doggy I couldn't resist and knelt down and plunged my tongue into her adorable pink arse for a few minutes. I asked her to finish me off by hand just so I could look at her gorgeous body and face as I came. "Sadly" I assume they have a different girl each week. I would happily have taken her home with me...
