The Premises:

MKE have moved to new premises in Bletchley. More discreet than their previous central MK location but less convenient to get to. Decent enough rooms.

The Lady:

Exactly like profile pictures. Gemma is a very nice and friendly girl, nice face and an incredible body. If you like slim girls with a toned body, then Gemma is for you. She must have the best ass in Milton Keynes.

The Story:

This was my second visit to see Gemma, the first one being back in December. I had had such a good experience the first time, I had promised myself that I would see her again to see if it was a one-off.

Gemma seemed more mechanical this time round but nevertheless, she applied herself willingly to the job in hand. My only gripe was the reluctance to kiss. This is quite important for me in creating some chemistry and so it proved a bit too mechanical for me. Despite this, it was an enjoyable 30 minutes but I don't think I'll see Gemma again. Don't get me wrong, she is a hot girl with a great personality and an incredible body.
