The Premises:

The same flat as on my previous visit, down towards the rail station in a quiet location. Easy to find.

The Lady:

Hayley is a lovely attractive English girl. Average height, size 8 to 10 with shoulder length light hair, and a fringe down to just above her eyes and hair down the side of her face.

The Story:

Hayley came into the room with a glass of water I had requested, and kissed me on the lips immediately. This was a great start and I knew that I would have a good time with her.

I undressed, then we had more lovely kissing and cuddling, standing, with me gently caressing and playing with her body.

Then she stripped off, revealing her lovely sexy body and we got onto the bed together. She moved up and lowered her boobs

over my face, so that I could lick them and play with them with my hands. She pleased me with some lovely oral without -

I asked her to slow down as I like it that way. Then I asked to lick her pussy - she said yes immediately and laid down on

the bed, and I played with her boobs with my hands at the same time. She really enjoyed this.

There were constant moans

and she kept saying " oh babe " while I was doing this. After this, more oral on me before putting on the condom for some sex.

She got on top facing me for a really lovely little session, until she made me cum.

We had a lovely time together. Hayley definitely gets full marks...10 out of 10, because I got everything I wanted with her.

I always like to give the GIRL as much pleasure as possible. I asked about the pussy licking before leaving - she said that

I was very good - this pleased me very much. (Many other girls have said this.)

I thought that her face was similar to another girl I have seen in the past. I told her about this (perhaps it was her fringe),
but it was definitely not the same girl.

Thank you Hayley. I hope that I will be able to see you again soon. xx
