The Lady:

Serena is young Romanian girl, who I have seen twice before. She's slim, quite tall, and has a pretty face. She has a lovely figure, with full soft breasts and a cute bum.

The Story:

I am aware that Serena is not as demonstrative as some, even inclined to occasional passivity, but she more than makes up for that in other ways. She is young, fresh, and looks and feels good. I also think she she has the cutest pussy. Her owo, the 69, and sex in various positions, are all enjoyable and combine to make me, as a man of mature years, very happy indeed! I will of course be seeing her again.
