The Premises:

Very nice clean room in kensington. Big bed with lots of space and nice and clean and tidy. Big fluffy pillows that were so comfortable.

The Lady:

Avriella was so welcoming when she opened the door. Even though it as quite late she looked beautiful and sexy in lingire. She asked how I was and made very comfortable. I asked her if she would like to play some bondage games with me and she was very happy to make me comfortable. I asked her if she had any toys and she took lots of fun bondage gear. The other girl I went to didn't have as many toys as this girl. I asked her to tie me up which she happily did. Punters this girl is amazing when she gets going with her sexy outfits. She has an amazing body !

The Story:

She was so much fun to be with. She knows how to give pleasure with her sexy outfits and whip. Guys you have to try this girl out as she is very good. I have already seen four times and am the most regular customer and have tried most of the girls but she has personality and a great body which is hard to beat. Go see her !!
