The Premises:

Very smart premises in NG5, newly refurbished with clean comfortable rooms and discrete entrance.

The Lady:

I met with Jess and her duo partner Sophie. Jess is late 20's with blonde hair and a lovely full figure. Sophie is early 40's, petite frame and beautiful long curly blonde hair. Both very attractive ladies and genuine photos on the profile.

The Story:

Communications leading up to the meet were quick and easy with no complications. I booked with a couple of days notice to ensure I got the appointment time I wanted. Both ladies greeted me in sexy lingerie which was soon removed and they started to work on a wonderful, all over, sensual massage. They took turns with full B2B and really know how to hit the spot until the session climaxed in a very happy ending.

They are both incredibly sexy girls and qualified masseuse, guaranteed to leave body and mind on cloud 9. A fantastic experience and would highly recommend but book early for duos as unsurprisingly they book up fast.
