The Premises:

Nicely decorated place in Central Northampton. Not that discreet as its on a main road, but nice and relaxing once inside. Very steep stairs up to the room.

The Lady:

As in photos, very attractive face and body. Tits are just perfect, lovely soft skin.

The Story:

I have seen Katleen a few times now back when she was Kathleen, not sure if the name change is a typo on the website or deliberate.

She has added a few extra things to her list of services recently that I had not tried before, her owo technique is spot on, I could have stuck with just that until the end but things moved on to 69 and sex on a couple of positions. She has some serious curves but everything stays where it should.

Had some interesting chat along the way. Not just the usual boring chit chat, she likes to challenge her punters. I'll be back for more, thats for sure.
