The Premises:

Good facilities at the Lodge. I have been many times and reviewed before. Same report really - good waiting area nice reception shower facilities and really nice private rooms. On street parking no problem.

The Lady:

I have been seeing Lucy a while now and reviewed her before. Not a lot changes to be honest. She is a brilliant girl to see, nice personality great looking - 5.6 blonde and perfect figure.

The Story:

The receptionist showed me to the room. Lucy soon arrived in a red matching bra and undie set. We started as usual with a nice relaxing massage with Lucy teasing with those hands all around the inner thighs and ball area. She knows how to work a man up. On went the condom and she knelt on the bed offering me her lovely juicy pussy. I slid straight in. After pumping away for a few minutes she asked me to lie down then got on top and ground on me while offering her ample breasts to play with and suck on this seemed to go on for ages. Not complaining. After a while Lucy got off then started to tease me again with her fingers building up to a brilliant hand job after she took off the condom and I squirted into the air. Lucy then cleaned me up with tissues, we had another nice chat. Job done - see you next time babe. Absolutely the best girl I've seen in a number of parlours.
