The Lady:

She was lovely. Looks all tits and bum on the web site pics, (and she is) but is a pretty fresh faced young girl (24).

The Story:

So pretty that I had to fuck her missionary so I could look at her and then with her looking into the wall mirror in doggies with me holding her hair so I could see her face as I ploughed her sweet pussy and slapped her magnificent backside. Didn't do cim, so I came on her magnificent natural tits.

There was a special offer to see her so she only cost £130 (instead of £150) and I got a bit more than the hour. Worth it for a memorable girl.

As a sweet, doesn't need make-up, girl next door type she is maybe better suited to old despoilers like me, rather than the painted and tattooed filthy tarts some of the younger generation enjoy (and me sometimes).
