The Premises:

Basement flat in Earls Court. Tidy and comfortable.

The Lady:

Very pretty and above average height for a Thai. Charm has medium size boobs, very upstanding and not enhanced and altogether very cute and suck able. I don't agree with the previous reviewer Randyindian that she is fat or bulges out everywhere. She is nicely rounded and has a very good figure overall.

The Story:

What I do agree with Randyindian about is that there is a dearth of Asian talent at the moment and that's why I too decided to shell out a premium to see Charm. Was she worth it ? After three recent poor experiences, yes. I had a great time with her. Charms oral techniques are first class and I've been blown by the best. She's chatty, funny, nice, welcoming and very attentive to the clients needs and desires. Enthusiastic A, followed by a not bad massage and a leisurely multi positional round two, when she came in a very pretty and un exaggerated way. I left happy and sated after 90 mins and would return. The extra £80 is worth not having that feeling of disappointment and disillusion.
