The Story:

Due to health and money reasons I don't punt very often these days and I have always been more comfortable visiting regulars, but as time goes on and girls retire or move away I now only see Carla for my rare treats.

Carla answered the door in a sexy outfit, big smile and with a hug and kiss. When we move into the bedroom she offered me a drink while I got ready (and another afterwards). The action started with B2B massage, progressed to oral and 69, onto cowgirl and finished with a wonderful hand-job. After we lay side-by-side and chatted, something I always appreciate. Then after cleaning-up I left but not before enjoying another hug, kiss and smile. Oh! What a happy man I was. At no time did I feel rushed, I did not notice a clock in the room nor did she wear a watch or have a tape playing so I do not know how or if she keeps track of time.

I have just noticed it is 8 years since I last submitted a review and that was for Carla too; here's to 2024 Carla.
