### The Premises:

Parking great, given the little room where you cannot swing a cat. Good clean as usual at egos.

### The Lady:

Pretty much as described in photos on website, good body few tattoos...late 30's maybe..no spring chicken but attractive.

### The Story:

Nice massage all over back worked well and felt good. Then rolled over it all went wrong. Sasha seemed in a rush and I didn't really find a connection with her as I have with the other great ego girls, I have been many times to fantastic girls, so I know a good service and how beautiful and wonderful the vast majority of girls are. An overwhelming sense Sasha was not going to hit my buttons, there seemed to be limited effort, certainly no happy ending for me and a huge disappointment at £85. Other ego girls seem to take pride in ensuring the customer leaves happy so this was by far my worst experience at Egos and wont be going back soon as I felt a bit cheated. Sorry, but a complete let down for me personally. You might like her and she might have had an off day, but not for me.
