The Premises:

Literally a road down from the local transport link. Yes sir please!! good access into the building. Clean airy flat, decent spacious room for you space junkies and facilities at your disposal

The Lady:

Takes my breath away each moment I meet with her. Website pictures are authentic to the person you meet. I'm hooked. Exotic thai radiance, wide cheeked to connect with a great smile, puppy eyed. simply sinks you in.

Very calm laid back, attentive, dedicated. good for a full on gfe anytime. Great views of her slim, 5 foot 3 goddess curves when assuming various positions. Last but not least-long dark locks to die for...

The Story:

Accommodated nicely when entered. Offers shower/drink etc. Catherine isn't a pushy character, so you feel present with her at all times- I thoroughly enjoy Fk, smells nice, Can give and take playful banter when gently pushed .

She has got what some girls may lack which is- decent energy levels for the average hour of play. Normally hate leaving her after the hour finishes.
