Profile Name: Christine Love - British Bisexual Fetish GFE

Phone: 07525365365

The Premises:

Large apartment near Bond Street, impeccably clean boudoir with all the facilities you could want. Easy to find on foot probably tough to park in the week. Busy area but discreet entrance.

The Lady:

Christine is very pretty with womanly curves in all the right places. Christine was dressed in a secretary outfit as requested. She is very friendly and immediately puts you at your ease. A true GFE experience

The Story:

I read somewhere on her site that the brain is the biggest erogenous zone. Having spent two blissful hours in the company of Christine Love I understand exactly what that means. Christine is very pretty, has a body built for sex but most importantly she is very smart. The result of this heady cocktail was the most intense two hours that I have ever spent with an escort. We did the sexy secretary role play thing which Christine excels at. All I can say is that if I had a secretary like Christine for real I would probably be dead in a week. After our first session I was looking forward to a glass of Chablis and a rest but no chance. Christine knows how to press all the right buttons and we were at it again after about five minutes! Christine you are a diamond. I hope you enjoyed yourself as much as I did because those two hours were off the scale. I can't wait until the next time.
