The Lady:

Size 12ish, Dark hair, medium height attractive. Very chatty and friendly.

The Story:

My first time to this parlour. Lexi's very nice: Friendly and keen BUT everything is extra... Now I know that the girls get little from the £40 parlour fee but it hurts when everything other than a fumble & fuck is extra. I did pay for the GFE and have to say that Lexi gave it her all. She also got very wet and I'm sure came when I went down on her. It all ended rather abruptly though when another punter rang the doorbell.

So: Nice, attractive girl with good skills but be prepared to be ushered out of the room as soon as possible.

I will return as we discussed Anal and that's something I'd happily pay extra for.
