The Premises:

Very smart upscale basement flat in a good area of London - 5mins from the tube station

Clean, tidy, decent bed and a shower that actually works.

The Lady:

Near enough to the images with the usual Photoshop applied. More girl next door than supermodel, but a pretty girl none the less.

Pleasant, polite and a good conversationalist.

The Story:

Turned up on time, welcomed in and offered the customary drink. Clean shower which actually had hot water and worked - a rare thing in these working flats.

Ocean is an Aussie girl, working part time in media (aren't they all?) And making some cash on the side.

Good range of services with the hour, 2 rounds, CIM and Swallow and a pretty energetic round 2.

Couldn't ask for more really.

Recommened. Would see again.
