The Premises:

A ground floor flat on a residential road not far from the station. Easy to find, safe area. The room itself was a little sparse but fine.

The Lady:

Beautiful! 5'6" slim, dark brunette from Romania. Her profile says she is 20 which seems about right. Her profile photos are accurate - though she looks even better in real life.

The Story:

She welcomed me at the door and took me to the room. Her English is good but not fluent. She is hugely sexual, and rubbed herself against me and on top of me as soon as we got to the bed. It was the perfect start. She kisses well, is clearly smart, and enjoyed taking and receiving pleasure. I recommend seeing her.
