The Premises:

Alicias remains much the same - clean and tidy, friendly and discrete - Customers never come into contact with other customers. Buy contrast, Brooklyns up the road has a very comfortable and well equipped communal lounge like a Dentist's waiting room. However, imagine the embarrassment of bumping into a friend, neighbour or relative!

Parking is OK, pay & display across the road, or off-street parking near by.

Jane the hostess is friendly, helpful and makes a good brew!

The Lady:

Ayseha is new, so I had not seen her before.

She is Asian, petite and slim, with dark hair. Small breasts, fully shaven.

The Story:

Aysha is bubbly and lively, kisses only lightly and does not like fingers inside. However, nice massage, her oral is good, happy with reverse oral, finished in missionary - very enjoyable.
