The Premises:

The X-Lounge has been reviewed many times on this site. Very clean, discrete and just as important, no door fee. I love this place

The Lady:

Sofia has a very bubbly personality. She is very chatty, and I felt like I had known her for years after this punt, despite it being the first time I had met her. She is probably late 40's and is what can only be described as "a big girl" No idea what dress size she would be, but to be honest it makes a great change to see a "proper" woman with lots of curves wearing quite frankly, not much.

She is very much the sort of person who you would want living next door to you, so if you want a great time with a more mature lady, and a bigger lady, Sofia is definitely the one for you.

The Story:

Did the usual parade of the ladies working and chose Sofia mainly because I hadn't seen her before and because she is very different from the usual type of girl that works at these places.

Opted for the GFE for half an hour. started with a massage of course. As is the case here, Sofia stripped off first before getting down to business. A few minutes working on my back before turning over, and as soon as I did she planted a big kiss on my lips. It got better from there. ! She massaged my front while I had a play with those tits, we kissed quite a lot before on with the cover for some very nice oral.

After the oral, she sat on my very erect cock and bounced up and down for a while, which I loved, then finished off with me on top to a very nice and satisfying conclusion. Really enjoyed my time with Sofia and will be back soon.
