The Story:

The door was opened by the lady with a towel draped around her, did not speak good English which got me thinking as the lady on the phone spoke good English

I was offered 4 other ladies I decided to stay with the one who opened the door. Paid her £50 for half an hour.

Then it went down hill, she sat on the bed and did not take her towel off, did not want to get close , took out a condom and started to suck,

Would not kiss , said don't touch, I got angry and as had not even been with her for 5 minutes, I asked for my money back

Alert a lot of shouting I got £20 back and left
